Cambrian Collection™

The Cambrian Collection captures the look and feel of classic stone, with a rich array of colors and naturally random, earthy patterns.

Available in both high gloss and Cambria Matte™ finishes

DARLINGTON™

WINDERMERE™

LINWOOD™

LINCOLNSHIRE™

NEWHAVEN™

CANTERBURY™

CASTELL™

BRENTWOOD™

WATERFORD™

HENLEY™

Design samples are a small select cut from a slab; they do not fully exhibit all the design characteristics of the final installed product. Cambria is pure natural quartz. Variation in the natural quartz stone color, pattern, size, shape, and shade are unique and inherent characteristics of this product. **Cambria is not a seamless product; seams are visible. Where there are seams the product pattern and shade will change.** Color blotches are intended and created into many designs to enhance the natural beauty. Cambria Matte™ finish will show surface markings caused during normal use, which are easily removed with an all-purpose cleaner such as concentrated Simple Green® cleaner. Annicca™ Beaumont™ Britannica™ Britannica Gold™ Britannica Warm™ Clareanne™ Delgate™ Ella™ Ellesmere™ Galloway™ Harlech™ Helmsley™ Ironsbridge™ Kelvingrove™ Langdon™ Leven™ Mersey™ Oakmoor™ Princetown™ Queen Anne™ Rose Bay™ Rosedale™ Roxwell™ Seagrove™ Skara Brae™ Skye™ and Summerhill™ have large visible surface movement not reflected in samples. Surface markings are more visible on monotone colors than multi-colored surfaces. White Cliff™ is a unique, light-colored design that will show markings during normal use. Beaumont, Ellesmere, Galloway, Harlech, Helmsley, Kelvingrove, Langdon, Menai™, Minera™, Parys™ Princetown, Rosslyn™, Seagrove, and Summerhill have natural free-flowing quartz crystals, resulting in surface deviations to the touch and appearance. These variations do not affect performance and do not qualify for product replacement. Cambria is durable and more resistant to surface damage than other stone. However, all stone can be damaged by force and no stone is chip proof. Objects hitting edges, particularly at sinks or dishwashers, may cause chips. Though a minor knife slip will dull the knife and not harm Cambria, no stone surface is scratch proof. Natural stone surfaces can be damaged by sudden and/or rapid change of temperature, especially near the edges, as well as direct and/or sustained heating of the top. Cambria may not withstand the direct transfer of heat from pots and pans and other cooking units such as electric frying pans, griddles, slow cookers, roaster ovens, and heat lamps. Therefore, the use of a closed-weave hot pad or solid trivet like a bread board is always recommended to prevent heating the product. Cambria is not a structural support material and must be supported in every application. 2cm and 3cm thicknesses are for countertops; 1cm thicknesses are for horizontal and vertical surface finishes such as walls, tub and shower surrounds, fireplaces, and tub decks. Semi-polished finishes (1cm) will not shine, and will soil and appear to stain from soiling. Annicca, Beaumont, Britannica, Britannica Gold, Britannica Warm, Clareanne, Delgate, Ella, Ellesmere, Galloway, Harlech, Helmsley, Highgate™, Ironsbridge, Kelvingrove, Langdon, Leven, Menai, Mersey, Minera, Oakmoor, Parys, Princetown, Queen Anne, Rosslyn, Roxwell, Seagrove, Skara Brae, and Summerhill designs are not available in 1cm thickness. Prior to purchase, view a larger representation of a design's movement at CambriaUSA.com.

Only available in Cambria Matte™ finish

Cambria's design samples are small selections cut from a slab and do not fully show all design characteristics of a slab or the final installed product. Prior to purchase, view a larger representation of a design at CambriaUSA.com. Variations in natural quartz stone color, pattern, size, shape, and shade are unique and inherent characteristics of Cambria products. Certain designs include natural free-flowing quartz crystals that may result in surface deviations to the touch and appearance. Color blotches are intended to enhance the natural beauty of many of Cambria's designs. These variations and characteristics do not affect performance and do not qualify for product replacement. *Cambria products are not seamless when installed; seams are visible and design pattern and shade will change at seams.* Surface markings are more visible on monotone colors than multi-colored surfaces. Cambria Matte™ finish will show surface markings caused during normal use, which are easily removed with an all-purpose cleaner such as concentrated Simple Green® cleaner. Cambria is durable and resistant to surface damage. However, all stone can be damaged by force, and no stone is chip- and scratch-proof. Objects hitting Cambria's surface, especially at edges near sinks or dishwashers, may chip the product. Sudden and/or rapid temperature change may damage the product. Direct or sustained heat transfer, for example from pots, pans, and other cooking units such as griddles, slow cookers, and heat lamps, may damage Cambria's surface. Therefore the use of a solid trivet is always recommended. Cambria is not a structural support material and must be supported in every application. To learn more about Cambria, please visit CambriaUSA.com.

Jewel Collection™

The Jewel Collection is all about the bling. Brilliant blues, golds, and silvers sparkle from deep within the surface in a show-stopping display of drama.

Beaumont, Ellesmere, Galloway, Harlech, Helmsley, Kelvingrove, Langdon, Menai™, Minera™, Parys™, Princetown, Rosslyn™, Seagrove, and Summerhill have natural free-flowing quartz crystals, resulting in surface deviations to the touch and appearance. These variations do not affect performance and do not qualify for product replacement. Cambria is durable and more resistant to surface damage than other stone. However, all stone can be damaged by force and no stone is chip proof. Objects hitting edges, particularly at sinks or dishwashers, may cause chips. Though a minor knife slip will dull the knife and not harm Cambria, no stone surface is scratch proof. Natural stone surfaces can be damaged by sudden and/or rapid change of temperature, especially near the edges, as well as direct and/or sustained heating of the top. Cambria may not withstand the direct transfer of heat from pots and pans and other cooking units such as electric frying pans, griddles, slow cookers, roaster ovens, and heat lamps. Therefore, the use of a closed-weave hot pad or solid trivet like a bread board is always recommended to prevent heating the product. Cambria is not a structural support material and must be supported in every application. 2cm and 3cm thicknesses are for countertops; 1cm thicknesses are for horizontal and vertical surface finishes such as walls, tub and shower surrounds, fireplaces, and tub decks. Semi-polished finishes (1cm) will not shine, and will soil and appear to stain from soiling. Annicca, Beaumont, Britannica, Britannica Gold, Britannica Warm, Clareanne, Delgate, Ella, Ellesmere, Galloway, Harlech, Helmsley, Highgate™, Ironsbridge, Kelvingrove, Langdon, Leven, Menai, Mersey, Minera, Oakmoor, Parys, Princetown, Queen Anne, Rosslyn, Roxwell, Seagrove, Skara Brae, and Summerhill designs are not available in 1cm thickness. Prior to purchase, view a larger representation of a design's movement at CambriaUSA.com.

Cambria's design samples are small selections cut from a slab and do not fully show all design characteristics of a slab or the final installed product. Prior to purchase, view a larger representation of a design at CambriaUSA.com. Variations in natural quartz stone color, pattern, size, shape, and shade are unique and inherent characteristics of Cambria products. Certain designs include natural free-flowing quartz crystals that may result in surface deviations to the touch and appearance. Color blotches are intended to enhance the natural beauty of many of Cambria's designs. These variations and characteristics do not affect performance and do not qualify for product replacement. **Cambria products are not seamless when installed; seams are visible and design pattern and shade will change at seams.** Surface markings are more visible on monotone colors than multi-colored surfaces. Cambria Matte™ finish will show surface markings caused during normal use, which are easily removed with an all-purpose cleaner such as concentrated Simple Green® cleaner. Cambria is durable and resistant to surface damage. However, all stone can be damaged by force, and no stone is chip- and scratch-proof. Objects hitting Cambria's surface, especially at edges near sinks or dishwashers, may chip the product. Sudden and/or rapid temperature change may damage the product. Direct or sustained heat transfer, for example from pots, pans, and other cooking units such as griddles, slow cookers, and heat lamps, may damage Cambria's surface. Therefore the use of a solid trivet is always recommended. Cambria is not a structural support material and must be supported in every application. The right choice for all the right reasons

CAMBRIA[®] NATURAL STONE SURFACES

FOR US, IT'S ALL ABOUT INSPIRING YOU.

Designed to quicken your pulse and spark your imagination, our designs are the key to your dream kitchen or bath.

THE LEADER IN DESIGN INNOVATION

Cambria® leads the industry with the most diverse and innovative designs to choose from for your material selection. Cambria also offers both a Cambria Matte™ finish and high gloss finish to expand your creative options.

THE NATURAL CHOICE

Cambria is created from pure, natural quartz, one of the hardest minerals on Earth, for superior durability and performance.

SUPERIOR PERFORMANCE

Cambria natural stone surfaces are scratch resistant and never need sealing or polishing—simply clean with warm water.

A HEALTHY KITCHEN

Cambria is nonporous so staining liquids and harmful bacteria are never absorbed.

ENVIRONMENTALLY FRIENDLY

From responsible mining to recycling the water used during processing, Cambria is dedicated to preserving our environment in every way possible.

AMERICAN CRAFTSMANSHIP

Cambria is handcrafted from start to finish to ensure the highest quality down to the smallest details.

SERIOUS ABOUT SERVICE

A carefully selected network of partners whose ideals match ours ensures premium service, the best experience, and your complete satisfaction.

FAMILY OWNED, AMERICAN MADE

With a rich heritage in Minnesota, Cambria is the leading family-owned, American-made company in the natural stone industry.

LIFETIME LIMITED WARRANTY

Exceptional products enable Cambria to confidently guarantee your peace of mind for life.

HARLECH™ Coastal Collection™

EVERY CAMBRIA® DESIGN IS INSPIRED BY NATURE

Using transparent best practices from raw mineral procurement through manufacturing and finishing processes, we create beautiful natural stone surfaces that make a big impact in any space, but not to the environment.

MAXIMIZING SAFETY AND EFFICIENCY

- Our quartz is responsibly procured from the original sites.
- Cambria's suppliers monitor silica dust levels to protect workers.

PRODUCT TRANSPARENCY

- Cambria is Declare certified and Living Building Challenge (LBC) compliant by disclosing Red List Free product ingredients and providing transparency.
- Cambria is a member of the Health Product Declaration (HPD) Open Standard which promotes transparency for projects focused on sustainability, wellness, and environmental responsibility.
- Both Declare and HPD may contribute to LEED points.

WASTE REDUCTION

- 100% of the water used in polishing is recycled, saving an estimated 1.6 billion gallons annually.
- The Cambria Processing Facility uses only energy-saving fluorescent lighting.
- All metal tooling is recycled.

PROTECTING INDOOR ENVIRONMENTS

- Cambria is NSF 51 certified safe for use as a food preparation surface.
- Cambria has earned GREENGUARD Gold Certification for low VOC emissions.

Declare.

Cigarette Burn	Unaffected	ANSI Z-124.6
Stain Resistance	Unaffected	ANSI Z-124.6

DESIGN AND FINISH INFORMATION

Cambria slabs are available in many designs. Cambria can develop custom designs. Cambria slabs are available in polished finish and Cambria Matte™ finish.

PRODUCT SIZE INFORMATION FOR SLABS, COUNTERTOPS, AND TILE

Cambria standard-size slabs are approximately 122" x 55½" (3.10m x 1.41m) and jumbo-size slabs are 132" x 65½" (3.35m x 1.66m). Please check with your local business partner/installer/fabricator for slab size availability per design, including the largest size able to be fabricated versus slab size listed. Cambria slabs can be ordered in 1cm, 2cm or 3cm nominal thicknesses. Cambria countertops are available in 2cm or 3cm material with availability of 2cm, 3cm or 4cm edge thicknesses. Cambria tile can be cut from 1cm or 2cm slabs. Cambria tile may be cut to nominal or true dimensions, ±1/16" (±1.59mm), with beveled edges, from 8"-24" (0.20m-0.61m). Custom dimensions are available upon request, ±1/16" (±1.59mm). Cambria slab thicknesses are nominal 1cm, 2cm and 3cm, ±0.5mm. 1cm thickness is typically 1.2-1.3cm. Cambria slabs weigh approximately 6 lbs/ft² (29.92 kg/m²) for 1cm, 10 lbs/ft² (48.82 kg/m²) for 2cm and 15 lbs/ft² (73.24 kg/m²) for 3cm.

PRODUCT INFORMATION

Cambria Product is pure natural quartz. Variation in the natural stone (quartz) color, pattern, size, shape and shade are inherent and unique characteristics to be expected with this Product. This does not affect the Product performance in any manner. Color blotches are intended and designed into many designs to enhance the natural beauty. Samples are small select cuts from a slab; they do not exhibit all the characteristics of a design and therefore are not fully representative of what will be installed. Product will not be replaced due to these variations. Cambria Product is durable and more resistant to surface damage than other stone. However, all stone can be damaged by force and no stone is chip-proof. Objects hitting edges particularly at sinks or dishwashers may cause chips. Though a minor knife slip will dull the knife and not harm Cambria Product, no stone surface is scratch-proof. Surface markings are more visible on polished monotone designs than multi-colored surfaces. Cambria Matte™ finish will show markings caused during normal use, which are easily removed with an all-purpose cleaner such as concentrated Simple Green® cleaner. Cambria is not a seamless Product, seams are visible. Where there are seams the Product pattern and shade can change. Natural stone surfaces can be damaged by sudden and/or rapid change of temperature especially near the edges, as well as direct and/or sustained heating of the top. Cambria Product may not withstand the direct transfer of heat from pots and pans and other cooking units such as electric frying pans and griddles, and some slow-cookers or roaster ovens and heat lamps. Therefore, the use of a closed-weave hot pad or a solid trivet like a bread board is always recommended to prevent heating the Product. Cambria Product is not a structural support material. 2cm and 3cm Cambria slab thicknesses are for countertops and must be supported. 1cm thickness is for surface finishes such as walls, tub and shower surrounds and fireplaces; horizontal applications such as a tub deck must be completely supported as well. Cambria Product is not approved for outdoor use.

CAMBRIA FULL LIFETIME WARRANTY

[United States and Canada]

C A M B R I A[®]

CAMBRIA[®] FULL LIFETIME WARRANTY [United States and Canada]

Cambria Company LLC, a Minnesota limited liability company (“Cambria”), provides this Full Lifetime Warranty (“Warranty”) to each owner (“You”) of installed Cambria[®] surface product (“Product”) during the Warranty Period (as defined below), subject to the terms and conditions of this Warranty.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE OR BETWEEN PROVINCES AND TERRITORIES.

TO THE EXTENT PERMITTED BY LAW, THIS WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND CAMBRIA HEREBY DISCLAIMS ALL OTHER WARRANTIES. Some states or provinces/territories do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to You.

THE REMEDIES DESCRIBED BELOW ARE YOUR SOLE AND EXCLUSIVE REMEDIES AND CAMBRIA'S ENTIRE LIABILITY UNDER THIS WARRANTY. IN NO EVENT SHALL CAMBRIA BE LIABLE UNDER ANY LEGAL THEORY FOR ANY DIRECT, INDIRECT, SPECIAL, EXEMPLARY, INCIDENTAL, PUNITIVE, CONSEQUENTIAL OR OTHER DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION OR ANY OTHER LOSS, EVEN IF CAMBRIA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some states or provinces/territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to You.

WHO MAY USE THIS WARRANTY?

Cambria provides this Warranty to You as the owner of the Product if it was purchased and installed in the United States or Canada after September 1, 2018. This Warranty commences upon the original installation of the Product and continues for the lifetime of the Product until the Product is removed, replaced, altered or subjected to excluded damage (the “Warranty Period”). This Warranty shall automatically transfer to subsequent owners of the Product during the Warranty Period.

WHAT IS COVERED BY THIS WARRANTY?

Cambria warrants the Product against manufacturing defects for the Warranty Period subject to the terms and conditions of this Warranty. This Warranty shall apply only when the Product is properly fabricated and installed for the interior use of residential, commercial or marine applications by Cambria approved installers and fabricators.

WHAT IS NOT COVERED BY THIS WARRANTY?

This Warranty does not apply to Product that has been removed, replaced or altered after its original installation, or Product subjected to damage due to mishandling, abnormal use, misuse, physical abuse, chemical exposure, direct or sustained heat or cold, including sudden or rapid changes in temperature or thermal shock, exposure to chemicals, outdoor installation or partially exposed outdoor installations, excessive pressure, force or loading applied from a person, utensil or object, including, but not limited to, cracks and/or chips resulting therefrom. In addition, improper, insufficient or poorly designed support, cabinets, structures, substrate or sub-floors for, on, near or under the Product are not covered by this Warranty. For the avoidance of doubt, if Cambria performs or causes to be performed any repair work on the Product, such repair work is not an admission or an agreement that the particular damage or issue is covered by this Warranty.

Your Product will not be covered by this Warranty if it is sold by unauthorized resellers or if it is sold by authorized resellers selling outside their authorized territory. To confirm whether a retailer is approved please visit CambriaUSA.com, CambriaCanada.com or call 1-866-CAMBRIA. This Warranty does not cover the quality of the fabrication or installation or damage or defects caused by fabrication or installation. Fabrication or installation issues must be resolved directly with the point of purchase, fabricator, or installer and are Your responsibility.

EXAMPLE USES OF PRODUCT NOT COVERED BY THIS WARRANTY.

The following list includes, without limitation, examples of unintended uses of the Product which are not covered by this Warranty: Product installed in entry-ways subject to traffic flow from the outdoors; Product installed outdoors, whether in partially covered or otherwise sheltered areas or not; Product installed in areas exposed to saltwater; Product installed for shower trays or shower pans, steam showers, steam rooms, or saunas.

IMPORTANT RESTRICTIONS ON THIS WARRANTY.

For this Warranty to apply, the Product must be used only for its intended purpose, and must be maintained in accordance with Cambria's Product Care and Maintenance Information which can be found at CambriaUSA.com/Customer-Care/Care-Maintenance or CambriaCanada.com/Customer-Care/Care-Maintenance, and which will be made available in hard copy form upon request and at no charge by submitting a request to the Cambria phone number or mailing address set forth below. This Warranty shall be null and void if You have not paid for the Product in full. Various laws and building and safety codes govern the design, engineering and construction of buildings and installations within them; these codes vary widely. Cambria assumes no responsibility or obligation with respect to compliance with such codes related to the selection, installation, design, engineering, or construction of the installation site for the Product.

ALL WARRANTY CLAIMS MUST BE RECEIVED BY CAMBRIA WITHIN THIRTY (30) DAYS AFTER YOU LEARN OF THE FACTS UPON WHICH THE WARRANTY CLAIM IS BASED, OR SUCH WARRANTY CLAIM SHALL BE DEEMED WAIVED.

YOUR RESPONSIBILITIES.

Although the Product is carefully inspected prior to shipping and delivery, it is Your responsibility to thoroughly inspect the Product when You receive it. The final inspection and approval of the Product, including after installation, is Your sole responsibility.

CAMBRIA FULL LIFETIME WARRANTY

[United States and Canada]

C A M B R I A[®]

WHAT ARE YOUR REMEDIES UNDER THIS WARRANTY?

With respect to any Product with a manufacturing defect covered by this Warranty, Cambria will, in Cambria's discretion, either (a) repair or replace such Product at no additional charge to You, or (b) refund the purchase price for such Product if Cambria is unable to provide replacement and repair is not commercially practicable or cannot be timely made, or if You are willing to accept a refund. If Cambria elects (a), and is unable to remedy the manufacturing defect after a reasonable number of attempts, You may elect either a refund or a replacement without charge. As a condition to a refund or replacement, Cambria may require that such Product be made available to Cambria free and clear of liens or other encumbrances.

MODIFICATION OF WARRANTY.

NO REPRESENTATIVE, DEALER, EMPLOYEE, INSTALLER, OR ANY OTHER PERSON IS AUTHORIZED TO MODIFY OR CHANGE THIS WARRANTY OR MAKE ANY OTHER WARRANTY, REPRESENTATION OR PROMISE ON BEHALF OF CAMBRIA WITH RESPECT TO THE PRODUCT. NO TERM OR CONDITION OTHER THAN THOSE IN THIS WARRANTY AND NO AGREEMENT OR UNDERSTANDING, WHETHER ORAL OR WRITTEN, IN ANY WAY PURPORTING TO MODIFY OR CHANGE THIS WARRANTY SHALL BE BINDING UPON CAMBRIA, UNLESS MADE IN WRITING AND SIGNED BY THE PRESIDENT AND CHIEF EXECUTIVE OFFICER OF CAMBRIA, MARTIN E. DAVIS.

HOW TO OBTAIN WARRANTY SERVICE.

To make a claim or obtain service under this Warranty, You must call Cambria Customer Care at 1-866-CAMBRIA (1-866-226-2742) or submit Your claim in writing to Cambria Company LLC, Attn: Warranty Services, 805 Enterprise Drive East, Suite 805A, Belle Plaine, Minnesota 56011.

Please include the following information:

1. Your name, address and telephone number;
2. Description of the Product for which the claim is made, including the design and thickness of the Product
3. Date of purchase or date of installation, whichever is earlier;
4. Name of retailer, installer or fabricator from whom You purchased the Product; and
5. A description of the claim.

In order for Cambria to respond under this Warranty, Cambria's authorized agents must be permitted sufficient time and opportunity to inspect the Product and evaluate and respond to Your claim.

REGISTRATION.

To register Your Product, please complete the Product Registration Form at CambriaUSA.com/Customer-Care/Warranty (for Product purchased in the United States), CambriaCanada.com/Customer-Care/Warranty (for Product purchased in Canada) or by calling 1-866-CAMBRIA (1-866-226-2742). Failure to complete this registration form will not diminish Your warranty rights.

Thank you for your purchase of Cambria.
